07. Corporate Learning, AI Literacy & Productivity Training	Corporate Learning & AI Literacy
08. Finance, Legal, Compliance & HR Operations Support	Finance, Legal & Compliance Support

Eight Core Services

01

Business Growth Consulting

Business Growth Systems Audit

Headline	Find exactly where your business is losing time, leads, and revenue.
Description	A diagnostic engagement that identifies gaps across sales, operations, staffing, marketing, automation, workflows, finance, HR, and reporting. You leave with a clear action plan and priority roadmap.
CTA	Book Your Audit

02

AI Automation & Digital Transformation

AI Automation & Digital Transformation Consulting

Headline	Stop doing manually what a system can do consistently.
Description	We design automation strategies across sales, operations, HR, recruitment, customer communication, internal productivity, reporting, and workflows so your business can scale with less manual work and fewer errors.
CTA	Start Automating

03

Marketing, Content & IT Support Systems

CRM, Funnel & Lead Generation Systems

Headline	Your pipeline should work even when you are not watching it.
Description	We set up CRM systems, sales pipelines, lead capture forms, landing pages, follow-up automations, nurture sequences, and client acquisition workflows that help turn leads into qualified prospects and paying clients.
CTA	Build Your Lead System

Eight Core Services

04

Business Growth Consulting

Business Growth Operating System Setup

Headline	Your business needs more than hustle. It needs a system.
Description	We map your business structure, design SOPs, set up dashboards, organize reporting systems, clarify workflows, and build a clear operating system so your team can execute with consistency and accountability.
CTA	Build Your OS

05

Outsourcing & Remote Staffing

Outsourcing & Remote Staffing Solutions

Headline	Skilled. Reliable. Remote. Ready to grow with you.
Description	We help companies source, onboard, and support remote professionals across admin, sales, marketing, HR, customer support, finance, design, content, and technical roles so you can increase capacity without heavy traditional hiring costs.
CTA	Find Your Team

06

HR Solutions, Recruitment & Talent Mapping

Recruitment, Executive Search & Talent Mapping

Headline	The roles that matter most deserve more than a job post.
Description	We handle role profiling, sourcing, screening, shortlisting, interview coordination, and talent mapping for specialized, leadership, and hard-to-fill roles. We do not just send resumes. We help you find the right fit.
CTA	Start Your Search

Eight Core Services

07

Corporate Learning & AI Literacy

Corporate Learning, AI Literacy & Productivity Training

Headline	The future of work is already here. Is your team ready for it?
Description	We run practical workshops on AI tools, automation, productivity workflows, prompt engineering, business use cases, digital transformation, and responsible AI adoption so teams can work smarter and faster.
CTA	Book a Workshop

08

Finance, Legal & Compliance Support

Finance, Legal, Compliance & HR Operations Support

Headline	Stay organized, compliant, and operationally ready.
Description	We support businesses with finance coordination, compliance documentation, HR operations, employee records, contracts, policy documentation, payroll coordination, admin workflows, and business compliance support.
CTA	Get Operations Support

Services Merged or Removed

Removed as standalone	EOR and HR Operations Support were removed as standalone offers. HR Operations Support is retained only as part of Finance, Legal, Compliance & HR Operations Support.
Merged	CRM and Funnel Automation + Lead Generation and Client Acquisition Systems were merged into CRM, Funnel & Lead Generation Systems.
Separated intentionally	Business Growth Systems Audit and Business Growth Operating System Setup remain separate because the audit is the diagnostic phase, while the OS setup is the implementation and system-building phase.
